Should you need assistance filling out the claim, please call the hall, (708) 597-1800 and we will try to assist you.
- If you are on a job that is continuing to work and you feel safe to work, then you may do so. If you happen to be questioned as to why you are going to work, you will want to state that you are in an essential industry “Life Safety Fire Protection”.
- We ask that you please do not get into confrontation with any peace officer or public official. Remember, everyone is under a lot of stress during these trying times.
